

Macomb Area Chamber of Commerce & Downtown Development Corporation

Transportation Committee 2010 Member Survey

As a member of the Macomb Area Chamber of Commerce & Downtown Development Corporation (MACCDDC) and a representative of the Macomb area business community, your input is vital to the Illinois Department of Transportation's (IDOT) long-range construction planning. The Transportation Committee of the MACCDDC has compiled a survey for MACCDDC members to complete. IDOT has historically been responsive to the Committee's comments and concerns in their planning process, therefore, your input is valued and encouraged. We appreciate your time.

Thank you!
